949 Broadway  
New York City

Dear Mr. Littlehale:

In continuance of our telephone conversation and, also, because of a suggestion of Mr. Trees of the Medallie Art Company, I take pleasure in repeating my invitation to you to become an associate member of the American Numismatic Society.

A brief folder accompanying the application card which is enclosed, will give you confirmation of what Mr. Trees has probably told you about our Society.

I hope you will find it possible to accept my invitation to visit our Museum in the near future whether you become a member or not.

Very sincerely yours,

Secretary
